

Petition to stop selling SodaStream products

Dear Target Galleria / Macy's / Kitchen Kaboodle Store Manager,

As a person of conscience, I call on you to **stop selling SodaStream carbonation devices.**

SodaStream devices are made in an Israeli settlement in occupied Palestine.

These settlements exploit Palestinian land, labor and resources.

They are illegal under international law and are obstacles to peace.

Home demolitions

Child arrests & imprisonment

Apartheid segregation

Destruction of land & crops
